Residential Specialties

ABOUT RIDALCO

RIDALCO Industries Inc. is a privately owned metal fabrication company with a proud history dating back to the mid 1940's. RIDALCO custom manufactures precision products, parts, assemblies, enclosures, cabinets, sinks, and furniture in stainless steel, mild steel, aluminum, copper, and brass for the residential markets across North America, including:

- ⇒ Stainless Steel Countertops, Cabinetry, Backsplashes, Exhaust Hoods and Furniture for Residential Kitchens and Other Rooms in the Home;
- ⇒ Stainless Steel Dog Wash Sinks for Veterinarians, Groomers, and Residential Customers;
- ⇒ Custom metal fabrication for commercial, industrial, and residential applications.

For more information, visit our website at www.ridalco.com/residential.

THE BENEFITS OF STAINLESS STEEL

Stainless Steel is being used more and more often within our living spaces because people are discovering its many distinct qualities:

- ⇒ Great appearance, style and aesthetic;
- ⇒ Durable and corrosion resistant;
- ⇒ Sanitary and easy to clean;
- ⇒ Flexible, making it easy to shape to fit unique spaces and incorporate seamless sinks and backsplashes;
- ⇒ Sustainable product and friendly to our environment!

OUR COMMITMENT

RIDALCO is committed to total quality service and customer satisfaction from initial customer contact to final product delivery.

FROM SMALL ACCENTS TO LARGE STATEMENTS

Ridalco brings you made-to-order stainless steel for your kitchen and home, inside or out. You dream it and we make it. If you're just starting to think about using stainless steel, try browsing through some of our ideas of ways to use it in your home. If you already know what you want, give us a call or send us an email. We'll help bring your vision to life!

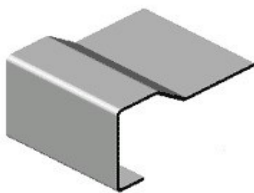

STAINLESS STEEL KITCHEN COUNTERTOPS

The commercial food & restaurant industry has been preparing food on stainless steel surfaces for decades. It's easier to clean and more sanitary than any other countertop surface. It can handle hot pots and won't stain either. If built with "no-drip" marine style edges, your stainless steel counter can prevent drips down your cabinetry and even onto the floor, enhancing your safety.

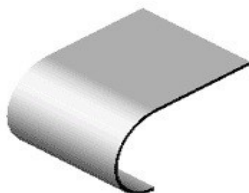

Stainless steel counters can be any shape you want and can easily accommodate a seamless integral sink of any shape as well. The seamless design makes cleanup a breeze and helps keep your kitchen healthy!

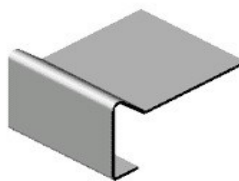

Several countertop profiles are available

KITCHEN BACKSPLASHES

A stainless steel backsplash seamlessly integrated into your countertop leaves no grouting or cracks for crumbs and liquids to get trapped in. And stainless steel gives you greater flexibility to fit into irregular angles and curves.

The flexibility of stainless steel also allows us to seamlessly integrate a small spice shelf into your backsplash.

Or keeps things separate with our stainless steel floating shelves. Choose from our standard sizes, or customize the size to fit tight spaces.

You can also add a décor backsplash separate from your countertop. This allows you to select a different material than your counter. Choose from aluminum, copper, brass, or stick with stainless steel. We offer a variety of materials, textures, and patterns to choose from.

STAINLESS STEEL SINKS

Ridalco can seamlessly weld any stainless steel undermount sink into your custom countertop for added functionality.

LAUNDRY SINKS

Ridalco stainless steel laundry sinks are constructed from heavy-duty, food industry quality stainless steel. Stainless steel is durable, corrosion resistant, sanitary and easy to clean, flexible making it easy to shape to fit unique spaces, and 100% recyclable! This well-crafted sink will last a lifetime and hold its value for generations.

Our stainless steel laundry sinks feature 16 gauge type 304 construction, 3" wide deck to accommodate standard deck mounted faucet, and adjustable bullet feet. Optional base cabinet available.

Sizes start at 20" x 20", and vary all the way to 36" x 25", available with or without base cabinet. Custom sizes are also available.

NEW Perforated drop-in strainer pan now available for your laundry sink.

STAINLESS STEEL OR COPPER EXHAUST HOODS

Adding a custom exhaust hood to your kitchen can bring the entire room to life. Choose stainless steel for a clean, modern design or copper for a more rustic look.

Our customized ventilators/exhaust hoods are built with heavy-duty fan and light assemblies, so they don't just look great, they work great, too.

Add a stainless steel backsplash and stainless steel counters for the ultimate cooking space!

FOR THE BATHROOM, BACKYARD, & MORE

Although the use of stainless steel is often confined to the kitchen, it can be used to create other great furnishings, too. Stainless steel can be used in bathrooms for countertops and sinks and even stainless steel bathtubs!

Stainless steel doesn't stop there. It can also be used for outdoor barbeque areas, custom fireplace surrounds, and even décor items. The possibilities are almost endless!

HOUSEHOLD ITEMS

From food prep cutting boards to coat/towel racks, Ridalco has a variety of household items that can be used throughout the home.

Food Prep Stations

Kitchen & Bath Faucets

Drainboards

Coat/Towel Racks (available in 2, 3, 4, or 6-prong)

Custom furniture and Kitchen Islands

TERMS & CONDITIONS

TERMS & CONDITIONS

- Payment terms are net 30 days from the invoice date on approved credit. Please contact accounting@ridalco.com to obtain a credit application.
- For customers without a credit account, orders for standards products are to be paid in full prior to shipping or at time of customer pick up.
- For customers without a credit account, orders for custom fabricated products must be accompanied with a 50% deposit with the balance due prior to shipping or at time of customer pick up.
- Any prices shown are suggested retail prices and do not include arranged discounts. All taxes, when applicable, are extra.
- In keeping with Ridalco's continuing product improvement, products and specifications may change without notice.
- Pricing is subject to change without notice.
- Ridalco Industries Inc. must be advised of all damage to the shipping carton/crate at time of delivery. Any damage to the interior of the package, whether a shortage of product, or damage to the product, must be reported to Ridalco Industries Inc. within 72 hours.

WARRANTY

Ridalco Industries Inc. offers a 1 year warranty to the original purchaser of a Ridalco stainless steel product, commencing at time of delivery. Ridalco will, at its option, replace, without charge, such product if it fails due to a manufacturing defect that occurs during normal use. Ridalco Industries Inc. reserves the right to examine the product in question and investigate the manner in which it has been used. Ridalco Industries Inc. shall not be liable under this warranty where the product has been improperly installed, neglected, or has been damaged as a result of abuse caused by heavy impact arising from a dropped object. Ridalco Industries Inc. shall not be liable for any inconvenience or expense for material or labour related to removal of the defective sink, or for any loss or damage to any person or property whatsoever resulting from the defective product. Scratches are not covered under warranty. This warranty shall be null and void if the product is modified in any way by anyone who has not been authorized to do so by Ridalco Industries Inc.

RETURNED GOODS

- All standard products being returned to Ridalco Industries Inc. must be authorized by Ridalco and are subject to a 25% restocking fee. Ridalco reserves the right to refuse any return for reason of product condition.
- All custom fabricated products are considered "final sale" and returns are not accepted unless being done so under Warranty. See "Warranty".
- Used products are non-returnable unless being done so under Warranty. See "Warranty".
- All items must be returned in their original packaging and in saleable condition.
- All returns are to be made by freight prepaid by the sender and the sender assumes all liability for shipping damages that may occur. Upon receipt of the product to Ridalco Industries Inc., if the product is damaged due to shipping, no credit will be issued. Ridalco Industries Inc. reserves the right to limit or refuse any returns.

FREIGHT POLICY

- Unless otherwise stated, goods will be shipped prepaid by the best method as chosen by Ridalco and charges will be billed to the customer. Ridalco can provide a freight quote on request which shall only be valid for a maximum of 15 days.
- The customer may, at their discretion, request a carrier of choice and freight charges shall be prepaid third party or collect. The customer shall assume all liability for shipping damages or loss that may occur.

CUSTOM FABRICATION

- Ridalco specializes in custom fabricated items and will provide a quotation based on the information provided by the customer. A detailed sketch is recommended.
- Approval drawings will be prepared by Ridalco and provided only upon confirmation of a purchase order or if approval is required to secure a purchase order. Fabrication of custom items will not commence until signed, approved drawings have been returned to Ridalco.
- Once fabrication has begun, cancellation of custom orders will be subject to full billing.
- Custom fabricated products may not be returned and are non-refundable unless being done so under Warranty. See "Warranty".
