

*Specialty Metal Backsplashes by Ridalco...*

*...turn your average kitchen into something special*

*Accent your kitchen with a custom metal  
backsplash to add elegance and style.*

Metal backsplashes are appealing in many ways,  
including:

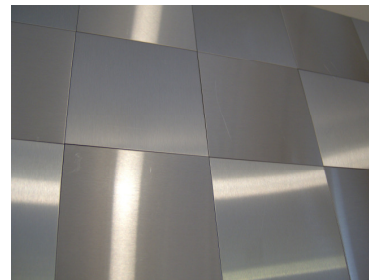

- ◆ Low cost, high value
- ◆ Easy to install
- ◆ Easy to clean and maintain
- ◆ Compliments all existing designs and furnishings
- ◆ Reflects light to create the illusion of a larger space

- ◆ Each backsplash is cut by Ridalco to fit the homeowner's specific requirements accommodating for electrical outlets and light switch cut-outs
- ◆ On-site measurements by Ridalco, if required
- ◆ Installation by Ridalco, if required

Why Stainless Steel?

- ◆ Great appearance and style
- ◆ Durable and corrosion resistant
- ◆ Sanitary and easy to clean
- ◆ Handles high amounts of heat very well
- ◆ Ridalco can shape to fit unique spaces
- ◆ Friendly to our environment
